# Horseback Riding Tour

Costa Rica is an excellent destination for adventure travel and the best way to see the most fascinating parts of the country is on horseback. Ride along a trail through the forest, which is home to monkeys, frogs, lizards, butterflies, orchids and countless other flora and fauna.

# Tenorio River Rafting

This river totally rocks— and it's not for the meek and mild. Four-man rafts and 6-8 ft. drops make it even more challenging to stay in the raft. The Tenorio River in Costa Rica rises near the Tenorio Volcano where it becomes a fast moving river, with 15 miles of rapids, then flows to join the Corobici River, one of the best rivers in the area for wildlife observation.

# About Ocotol Beach Resort

Ocotol is a four-star beachfront resort, a leader among Costa Rica's hotels and resorts, known for its outstanding style, comfort, and service. The property lies along the country's beautiful Northern Pacific coastline and yields breathtaking panoramic views of the Papagayo Gulf.
