Please read and observe the following regulations of YAP DIVERS:-

-  Maximum recommended depth of 130 feet / 40 meters and No decompression dives
-  Safety Stops to be conducted at approx. 15 feet (5 m) after every dive
-  Maintain proper buoyancy control in order to preserve the corals
-  Back on the surface with 500 psi or 35 bar
-  A safety sausage and dive computer is recommended for every diver
-  If you lose your dive buddy/group, search for 1 minute, then make a controlled ascent to surface.
-  In case of an emergency, the captain will recall divers to the boat by hitting the ladder continuously
-  For your safety, alcohol is not allowed before or between the dives
-  Shell collecting is not permitted
-  We strongly recommend a minimum of 18 hours surface interval before flying.

YAP DIVERS LIABILITY RELEASE & WAIVER

I, (Print Name) state that I am a Snorkeller / certified Scuba Diver and I do understand there are inherent risks involved in Snorkeling and Scuba Diving. I understand that I am responsible for my own safety in Yap with Yap Divers.

I certify that I am medically fit to Snorkel and / or Scuba Dive and have no circulatory, heart, lung, ear or other illnesses that are contradictory to diving.

I understand that it is the intention of this instrument to exempt and relieve YAP DIVERS from liability for personal injury, property damage, or wrongful death occurring as a result of engaging in Snorkeling / Scuba Diving or related activities incidental thereto.

I expressly assume the risk of said activities and will not hold YAP DIVERS or its employees agents or assigns responsible.

I have carefully read the above and the regulations overleaf, I understand the legal consequences of signing this Liability Release & Waiver and execute it voluntarily.
